"How does marriage fit into God's creative design?"

What did God mean when he declared, "It is not good for the man to be alone ... I will make a suitable partner for him" (Gen. 2:18)? We continue to ask, "How does marriage fit into God's creative design?" Explore these questions in light of Scripture and Catholic tradition on **Saturday, May 17, 2008,** at St. Anthony Church, 337 N. Warman Ave., Indianapolis, and discover God's Plan for a Joy-Filled Marriage. "God's Plan" is a day-long workshop of discussion and presentations, facilitated by married couples, **for those who are discerning or preparing for marriage and for those who are already married.** It is a great opportunity for newlyweds to fine-tune their formation after 'the honeymoon.' The program is based on the work of Christopher West, who has interpreted into plain English, Pope John Paul II's "Theology of the Body," better than anyone. The cost for the day is \$75 per couple or \$50 per single individual, which includes study materials and lunch. Registrations can be downloaded at the Office of Family Ministries' Theology of the Body section of www.archindy.org. The day begins with prayer at 9:00 a.m. and ends with Mass starting at 4:30 p.m. **Come join us and renew your married love!**
