The PTO is seeking assistance for events throughout the school year. The chairperson is provided with a list of volunteers to assist in the event and any information available from the prior year's chairperson to assist in planning the event. If you would like to chair an event but would like others to assist, please mark co-chair. The PTO can match you with others that would like to organize an event. If you are interested in an event and have questions, please contact any PTO board member. We are seeking new and creative ideas for all of the events listed. **PLEASE MARK AN 'X' WHERE YOU WOULD LIKE TO VOLUNTEER AND IN WHAT CAPACITY.**
